

ENFORCER

Classic

If you want the finest concealment vest for the dollar, this is it. The Enforcer™ Classic is an everyday concealable vest that sets a new standard for high performance at an affordable price. It is made with fourth generation Kevlar® that's softer, lighter, and thinner than before. DuPont™ Kevlar® 129 ballistic fabric is air entangled and features a new weaving technology that allows us to decrease the weight of the Enforcer™ Classic vest by about 20%.

The Enforcer™ Classic is available in NIJ 0101.04/.05 levels IIA, II, and IIIA in both male and female models.

The Enforcer™ Classic series offers you a wide variety of options, including permanent and removable covers, various cover materials, as well as different trauma plates.
