U.S. Armor recently recognized one of its outstanding employees as she celebrated over 20 years of employment with U.S. Armor Corporation.

U.S. Armor Corporation is a company that strives to continually monitor and improve the quality of our products and procedures so that we may continue to earn our customer's trust and to achieve total customer satisfaction by producing products that are free of defects and delivered on-time, every time. Employee retention is a key component to achieving this ideal and maintaining a skilled workforce that can consistently perform the intricate procedures of manufacturing a lifesaving product.

When an employee passes a milestone of employment, we at U.S. Armor consider that a cause for celebration. Elizabeth was recognized on July 11, 2014 for being dependable, flexible and always going the extra mile to ensure timely production and on-time delivery. President Stephen E. Armellino held a company-wide luncheon to formally recognize Ms. Alvarez for her service to the company and to present her with a 20 year statuette, flowers and a surprise financial award.

U.S. Armor would like to again congratulate Ms. Alvarez for maintaining U.S. Armor as ***"The Most Trusted Name In Body Armor"*** and for embodying our company's core values of quality, integrity and longevity.
